## **vanity** *dining table*

### **my story...**

VANITY is a true renaissance for NAUU DESIGN.

With two hand-carved bases in Rose Gold brass and a third one lacquered with high gloss varnish, this dining table is an authentic piece of art. Each of its details is executed with precision, from the sculpted bases to the tempered extra clear glass top.

This extraordinary piece perfectly combines several noble materials that give it a refined, luxurious, but above all a vain look. With a triple personality, this dining table fits beautifully into any environment, whether it's a more classic style or a more contemporary, always reflecting NAUU DESIGN's philosophy of defying the rules of design.
